#### Reg. 2 Participation in the Mototour of Races

The number of participants will be limited to **20**. Entries will be accepted from the 1<sup>st</sup> of February **2023** until all 20 places are covered, or until the closing day of the entries **20<sup>th</sup> of March 2023**.

It is advisable to check the availability before sending the payment. The entries are going to be processed according the principle: “first come, first served”, based on date of payment received.

The main focus of the event is the “inside” view of a **FIM Speedway Grand Prix race** in Donji Kraljevec, Croatia ( <https://fimspeedway.com/rounds/2023-fim-speedway-gp-of-croatia-donji-kraljevec>) by meeting with race riders and officials, as well as riding along the chosen itineraries and of ensuring participants safety along with their acquaintance to the less traveled, picturesque routes of the region.

The total distance travelled during the event will be around 450 km.

During the tours, light lunches and refreshments will be provided. Accommodation and dinners will be organised in town of **Varaždin** ( <https://visitvarazdin.hr/en/> ) at a walking distance from the Hotel, except for the day of Speedway GP, when the dinner will be organised along the way (as the Speedway GP race is starting at 19h).

### Reg. 3 Entries

Entries must be sent by filling all required fields in the entry form to email address: [fimmor2023@gmail.com](mailto:fimmor2023@gmail.com).

As soon as the acceptance is confirmed by Organisers payment of the full amount must follow within 2 days in order to guarantee a reservation. The entries are going to be processed according the principle: "first come, first served", based on date of payment received.

In case of the payment received after we reach the full capacity (20) it will be returned (money transfer costs will be deducted from the refund, SHA for EU).

### Reg. 4 Participation Fee

### **Reg. 10 Responsibility of the participants (Liability of the Authorities, Organizers and participants)**

According to the CTG (Art. 11) and Art. 19 (Touristic Gatherings of Category A) all participants must be in possession of a valid driving license and the appropriate accident and 3rd party liability insurances valid for the countries through which they will pass. Furthermore, the participants undertake the responsibility to indemnify and exonerate the FIM, the FMNR, the organisers and the officials, as well as their employees, officers, and agents from any third-party liability for any loss, damage or injury, for which he/she is jointly and severally liable.

Participants allow the organizer to take and publish photos or videos, in which they may appear individually or in groups, with or without their vehicles, which will be taken during the event.

Police and “marshals” instructions on the guided tours must be followed.

### **Reg. 11 Rider Conduct and Protection of the Environment**

Motorcyclists are expected to consider other road users (CTG Art.3).

Article 1.2 of the Environment Code – Rider Conduct:

- a)** Individual motorcyclists should develop riding habits to ensure full integration with other types of road users.
- b)** Ride safely and avoid aggressive and competitive riding.
- c)** Save petrol and reduce pollution by avoiding unnecessary idling of engines.
- d)** Ride politely and limit noise pollution by using your horn only in an emergency.
- e)** Noise annoyance. Use standard or another quiet exhaust system and keep audio systems at a low level.
- f)** Use only routes which are open to motorcyclists.
- g)** Ride like a professional by riding at a quiet and unobtrusive pace when riding in groups.
- h)** Respect nature by not travelling on paths which risk being damaged beyond a point of natural recovery.
- i)** Protect wildlife and its natural habitat by riding intelligently.
- j)** Ensure that your used oil, tyres, batteries and other recyclable items are properly recycled.
- k)** Encourage a rational use of fuel and space economy by using motorcycles instead of driving automobiles.
- l)** Remember that our cities and our roads are not circuits.
